### Notes:

- We provide all our own DIs, and do not require phantom power.
- Michael (Cello) will need a standard-height dining chair to sit in. He will also sometimes sing backup vocals, and will be alternating between playing cello and banjo.
- Dani typically sings main lead and will be playing mandolin, foot tambourine, and shaker. She and Nick will also share the acoustic guitar.
- Nick will be singing second lead / harmony vocals and playing acoustic guitar through a DI. He will run his electric guitar through an amp pedal/DI. He will also use a kick stomp with a suitcase, which will need to be mic'd. He will be running an additional octave DI to add bass to the guitars.
